(b) SNDL (OPNAVNOTE 5400 Series)

1. Purpose. To approve establishment and disestablishment of subject shore detachments assigned to the Chief of Naval Operations (CNO) for command per reference (a).

2. Background. The existing component medical organization located at Athens, GA is now assigned functions and tasks commensurate with the level of work of a CNO established detachment due to its remoteness from the supporting naval hospital. Conversely, the functions and tasks of the subject Bureau of Medicine and Surgery (BUMED) organizations to be disestablished have been downsized to the point that the claimant can maintain adequate customer support on site by realigning them as component organizations for operation under BUMED's exclusive command and support.

3. Organizational Change. Establish the following detachment effective immediately:
